Murray leaves today (Monday) for Ironton, Ohio, where he will take charge of a large church. He has been in Prestonsburg for the past six months as teacher in the Normal Dept. of Kentucky Normal College, which position he has filled with great satisfaction to the college, and many students in attendance. Many tears were shed at the close of the services Sunday night, as the students and people said "Good-by" to Rev. Murray. All the people of Prestonsburg love him and his good wife and their best wishes go with them to their new field of labor.

S. Harry Auvill, Pastor M. E. C. S.

DAVISVILLE.

Mrs. W. H. Stone, of Paintsville, visited her sister, Mrs. M. A. Davis, Sunday.

The usual large attendance was with our brethren at the old Hood's fork church Sunday. Also the usual drinking was carried on. Dancing, whistling and cursing was the go in the rear of the house. On the outside whooping and yelling, cursing, hitting the house with their fists, was indulged in. Your correspondent was told that they would seequire David Biggs before the end of the week. The church should have a peace officer on the ground at all times during church, or they will have to roll up their church books and quit. The ones that were doing this were mostly boys under age, and they ought to have to tell the next grand jury where they got so much of the vile stuff.

Uncle Tol.
